Fact checking: Who we are

Registered Charity: eyeWitness to Atrocities is a registered charity (registered number 1156242) and company limited by guarantee, incorporated in England and Wales (registration number 08703983). eyeWitness is regulated by the Charities Commission. [See our registration on the UK Government's Charity Commission website.](#)

Initiated by the [International Bar Association \(IBA\)](#) in 2011: The IBA, established in 1947, is the foremost organisation for international legal practitioners, bar associations and law societies. The present membership is comprised of more than 80,000 individual international lawyers from most of the world's leading law firms and some 190 bar associations and law societies spanning more than 170 countries. The IBA has considerable expertise in providing assistance to the global legal community, and through its global membership it influences the development of international law reform and shapes the future of the legal profession throughout the world.

Launched publicly in 2015: eyeWitness to Atrocities was launched publicly as a project of the IBA.

Usage: Since 2015, the eyeWitness to Atrocities app has been used by organisations and journalists in more than 20 countries. We have received over 15,500 photos and videos.

Secure: App users upload their footage to a secure server for verification and safe storage. LexisNexis Legal & Professional, a part of the RELX Group, hosts the secure repository, database and backup system to store and analyse this data. LexisNexis Legal & Professional's industry leading data hosting capabilities provide the eyeWitness program with the same technology used to safeguard sensitive and confidential material for LexisNexis clients every day. The database is not accessible to the public. Only members of the eyeWitness team may access the secure server, subject to strict internal protocols to protect the chain of custody. [Learn more about LexisNexis.](#)

Impact: eyeWitness has submitted 22 dossiers to investigative and accountability mechanisms, including the International Criminal Court, the United Nations, European war crimes units, domestic courts and police forces. For example, photos and videos taken with the eyeWitness to Atrocities app were used in a [crimes against humanity trial in eastern Democratic Republic of the Congo.](#)
